

We normally meet for pre-lunch drinks and a chat between 12.00/12.30, during which the staff take food orders so that service can begin promptly.

Vegetarian, gluten-free and diabetic options are always available if requested in advance.

# Programme for 2012

## Issue 5

We aim to combine fine food, fine company and fine value with a programme that ranges from plain and simple to classic and international cuisine. We hope there's something here that appeals to you because **you** will be very welcome!

(Please contact David Ling on the Luncheon Club table or the organiser named if you'd like details, to comment, to participate in our car sharing scheme or to suggest other venues - or via 01623 822994 or [dlpruk@aol.com](mailto:dlpruk@aol.com).)

### Payment

Please note that members are responsible for their own accounts and that the Luncheon Club cannot become involved in any issues that may arise. In many cases it will be quicker and easier for members to open their own temporary accounts, or 'Tabs', on arrival so that they can settle for pre-lunch drinks, food items, coffee and gratuities with a single payment.
