Staying on the MV Diana

Tuesday 10th – Saturday 14th April 2012 From only £399 per person

Once every decade Holland hosts Floriade – a world-class exhibition showcasing the very best in floral displays, together with plants, fruit, vegetables and much more besides. Already known as the 'country of flowers', Holland's Floriade has become a must-see event for garden enthusiasts across Europe, and our wonderful river cruise itinerary makes it even more special. Not only will you enjoy all that Floriade 2012 has to offer, you'll also explore the famous waterways of Holland, and visit the world-famous Keukenhof Gardens- the most spectacular array of gardens and floral displays – with cosmopolitan Amsterdam included too!

Your holiday itinerary:

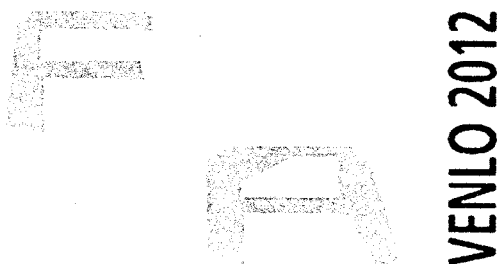

Tuesday: From local departure points we head for the Channel crossing to Calais, through Belgium and into Holland to reach Amsterdam and our cruise vessel, the MV Diana for a late supper.

Wednesday: A morning in Amsterdam, Holland's most exciting city, before we cruise throughout the afternoon along the winding Neder Rhine River and through a landscape of meadowlands to reach the infamous wartime city of Arnhem by mid-evening.

Thursday: Today we travel by coach to Venlo, host town of Floriade 2012 (admission included). There is ample time to explore all five zones, including exhibitions, shows and events from around the world making Floriade much more than a flower show. We return to Arnhem where the evening is free.

Friday: Cruising over breakfast and through the morning we reach Utrecht. After lunch we travel by coach and head for Keukenhof Gardens (admission included), with ample time to stroll around the park where colourful displays of spring flowers are exhibited in the extensive ground and indoor pavilions. We return to our ship in Amsterdam to enjoy our final night onboard.

Saturday: After breakfast we return to Calais, crossing the channel and homeward.
